

GE Enduris™

Liquid Flashing Sausage Packs

Complete roofing
projects faster
and easier.

Perfect for covering fasteners, GE Enduris Liquid Flashing is now packaged in foil sausages to use with bulk and special nozzle.

Load your gun and go!

- Fast, precise application onto fastener heads
- Convenient alternative to pail and brush application
- Ready to use - no mixing or kneading
- Excellent for cold weather application
- Apply all year round – from 0°F to 120°F

Sealing fastener heads on metal roofs used to be a time consuming task that was hard on your back.

GE Enduris Liquid Flashing sausage packs make it quicker and easier for your crews to focus on the fasteners.

GE Enduris Liquid Flashing is 100% silicone that delivers effective repairs and long-term protection to virtually all types of roofing substrates, in any environment. A single application will seal fastener heads, cracks and seams. It's perfect for urgent repairs ahead of recoating with GE Enduris coating.

Also available in 2 gallon pails!

Waterproof - Rain ready in 30 minutes. Unaffected by ponding water.

Durable - Performs in the most demanding and extreme environments. Proven to protect against rain, wind, snow, UV rays and extreme temperatures.

Versatile - Outstanding adhesion to a wide range of materials and substrates, including TPO, EDPM, metal, concrete and masonry.

Convenient - 20oz size for safer, easier carrying onto the roof when compared to a 2 gallon pail.

Ready To Go - No kneading. No mixing.

Efficient - Faster and focused application for lower labor and material costs, and quicker project delivery.

Flexible - 100% silicone formula with excellent elongation. High viscosity for easy application on high pitches, vertical surfaces and parapets.

Safe - Low odor and low VOC. Designed for use in bulk sausage gun applications, reducing back strain.
